680News

on the occasion of its 20th anniversary.

Toronto is one of the world's most multicultural cities and home to people from across the globe. Media outlets like 680News strengthen our communities and contribute to our cultural development and the growth and success of our city.

For the past 20 years, 680News has provided vital news and information to people across the Greater Toronto Area and Canada. As Toronto's only all news radio station, people are kept up to date with the latest traffic, weather, business, sports and local, national and international news, 24 hours a day, seven days a week.

The celebration of this milestone anniversary is a wonderful opportunity to reflect on your many past accomplishments and look to a future of exciting possibilities and opportunities.

We offer best wishes for continued success.
